

2022 Year 7 to 10 Textbook List

At Penola Catholic College, included in your child's school fees, your child will be given a Digital Textbook bundle comprising the nine core curriculum titles and supplementary digital resources that will be uploaded, stored and accessed on their digital school device (laptop or iPad).

The only textbook that is required to be purchased for students in Years 7 to 10 is an English novel and the choices are listed below for each year group.

It is strongly recommended that you wait until Term 1 of 2022 to purchase the novel. This will allow your child's class teacher to work with your child to find the best novel for them. This will be communicated via the student diary during Term 1 and when it will be required by.
